Flu vaccination

Autumn is (unfortunately) coming again, which means that the flu virus will have more opportunity to take hold. This year we will again provide the flu vaccination program, where you can take advantage of having flu vaccinations done (on location) on your staff. Our planning will start in November.

Please let us know if you are interested in this and, if so, when you would like it. Please send an e-mail to nmuijs@travelclinic.com or world@travelclinic.com.
